CATERING PACKAGES

Thanks for considering us to be part of your event! We offer two catering packages designed to fit different types of events, as well as a variety of flavors that rotate seasonally.

Gelato Cart

Gelato cart catering is ideal for large events like weddings, galas and conferences. This option entails servers scooping gelato and/or sorbetto into cups and/or cones.

Cart: \$350

2 Servers: \$200

Delivery: \$100

SUBTOTAL: \$650

Gelato: \$5.45 per serving (maximum 600 servings)

note: serving size is 3 ounces

Push Pop Cart

Push pops are pre-packed servings of gelato/sorbetto, making this option easy for outdoor events, children's events and family events.

Cart: \$150

1 server: \$100

Delivery \$100

SUBTOTAL: \$350

Push Pops \$3.00 each (maximum 400 servings)

Flavors: Along with this pricing sheet, you should look forward to receiving an available flavors list two weeks before your event. That way, you are receiving the most current list of our offerings, which change seasonally. You may select up to six flavors of gelato and sorbetto.

Delivery: The \$100 delivery fee covers deliveries in our normal routes, meaning locations near our stores in DC, Maryland and Virginia. If your event is taking place outside of that radius, an adjusted delivery fee will be discussed.

To reserve your gelato catering, please email Farrah Skeiky: farrah@dolcezzagelato.com. We suggest contacting us no later than two weeks prior to your event.
